

## STEMscopes NGSS 3D Wins Gold Stevie Award in 2019 American Business Awards

*The phenomena-based STEM curriculum takes top honors for Science Instructional Solution in Education category*

HOUSTON – May 9, 2019 – [STEMscopes™ NGSS 3D](#) from Accelerate Learning was named the winner of the Gold Stevie® Award in the Science Instructional Solution category of the 2019 [American Business Awards®](#).

The American Business Awards are the U.S.A.'s premier business awards program. All organizations operating in the U.S.A. are eligible to submit nominations – public and private, for-profit and non-profit, large and small. Nicknamed the Stevies for the Greek word meaning “crowned,” the awards will be presented to winners at a gala ceremony at the Marriott Marquis Hotel in New York on Tuesday, June 11.

More than 3,800 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories. STEMscopes NGSS 3D was nominated for a New Product Award in Education in the Science Instructional Solution category.

“We’re honored that STEMscopes NGSS 3D has been recognized with the prestigious Gold Stevie Award. The judges commented that they particularly liked the combination of hands-on learning and instruction, and the robust toolkits for classrooms and teachers,” said Dr. Vernon Johnson, president and CEO of Accelerate Learning. “With STEMscopes NGSS 3D, teachers can now spend less time planning and more time addressing three dimensional learning through the student-driven inquiry of phenomena across flexible storylines. Using the [5E plus intervention and acceleration lesson model](#), students can learn by doing and experiencing, engage with all areas of the Next Generation Science Standards (NGSS), and develop a passion for STEM.”

STEMscopes NGSS 3D is a phenomena-based STEM curriculum that provides teachers with everything they need to address the Disciplinary Core Ideas, Crosscutting Concepts, and Science and Engineering Practices that form each standard of the NGSS. It combines a comprehensive digital curriculum, supplemental print materials, and ready-made exploration kits with [embedded professional development](#) to support student and teacher success.

“The nominations submitted to The 2019 American Business Awards were outstanding. They illustrate the continued vibrancy of innovation and high level of achievement across the American economic landscape,” said Michael Gallagher, president and founder of the Stevie Awards.

### About STEMscopes™
