

Viewing your Students' Username and Password Information

1. After logging into STEMscopes, select **Students** in the top navigation. Then, select one of your teacher sections (groups) by clicking **Show** to view your student details.

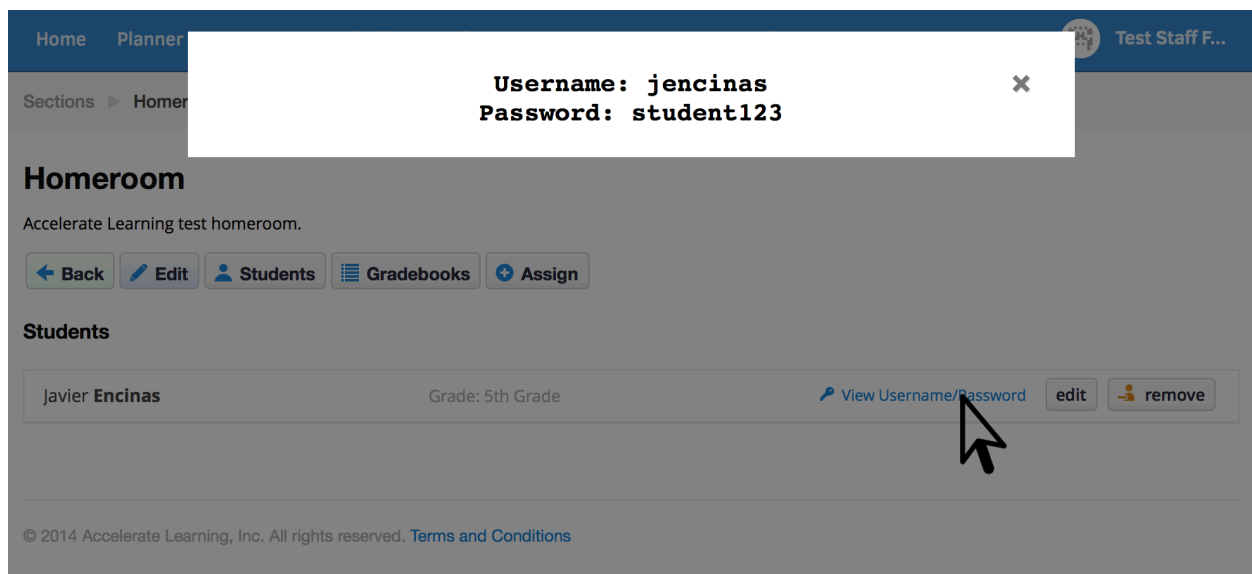

The screenshot shows the 'Teacher Sections' page. At the top, there is a blue navigation bar with links for Home, Planner, Scopes, Standards, Students, Assessments, and STEMcoach. A user profile icon and 'Test Staff F...' are visible on the right. Below the navigation bar, the page title 'Teacher Sections' is displayed. A '+ New' button is located on the left. A table with the following data is shown:

Name	# of Students	Actions
Default Section	0	Show Edit
Homeroom	1	Show Edit

A mouse cursor is pointing at the 'Show' button for the 'Homeroom' section. At the bottom of the page, there is a copyright notice: '© 2014 Accelerate Learning, Inc. All rights reserved. [Terms and Conditions](#)'.

2. To the right of the student names you have added to your section, select **View Username/Password** to show the student's username and password information.

The screenshot shows the 'Homeroom' page. The top navigation bar is visible. The page title 'Homeroom' is displayed. Below the title, there is a description: 'Accelerate Learning test homeroom.' A row of buttons includes 'Back', 'Edit', 'Students', 'Gradebooks', and 'Assign'. Below this, the 'Students' section is shown. A student entry for 'Javier Encinas' is visible, with 'Grade: 5th Grade' and buttons for 'View Username/Password', 'edit', and 'remove'. A mouse cursor is pointing at the 'View Username/Password' button. A modal window is open in the center of the screen, displaying the following information:

Username: jencinas

Password: student123
