

IMPLEMENTATION TRAINING STEMRANGERS

STEMrangers provides everything needed to implement a creative, thought-provoking, and engaging hands-on science event for your campus or group without the stress of creating meaningful activities from scratch, supporting station leaders, or sourcing materials. Our STEM coaches will provide you with white glove attention and support to ensure that your use of the STEMRangers program is seamless and effective.

THE OUTCOMES

-  Learn how to navigate the STEMrangers digital platform
-  Walk through steps to set up materials in stations
-  Gain clarity on what to do in the days leading up to and after your event

THE OFFER

Allow us to customize your professional learning session to address your district's or school's unique needs, resources, and schedules. Face-to-face 3-hour session for up to 50 participants at \$1600.00.

THE AUDIENCE

K-8 classroom teachers, teacher leaders, school administrators, curriculum specialists, and instructional coaches
